“ *I was saddened to hear of Miss Mayfield's passing. She was my teacher in the fifth grade and to this day remains my favorite teacher of all. I saw her often at Park Place when visiting my aunt Rebecca Hawk. She and Miss Mayfield had been on several trips together in the past. Walton County was very fortunate to have had such a dedicated teacher and a wonderful Christian lady.*

“ *Miss Mayfield was one of my grade school teachers~and also taught other members of the (large) Collier family. I remember having to learn the states and capitals in her class that year. I regret that I did not contact her over the past years even though I did not return to Walton County to live after leaving for college in the mid 60's. She will be remembered as a wonderful teacher and person to many.##imported-begin##Connie Collier Tucker##imported-end##*
