“ Scott was our youngest child and only son. He was such a blessing to us and it will be so hard to get along with out him. He had a truly generous and loving heart and took care of anything and everything for everyone. He was such a family man. We are all in shock and shattered. My heart is truly broken, but the good news is that he is in heaven. Scott is with his grandfather whom he loved so much. For those of us left behind we will carry Scott's love with us forever.
