“ It baffles the mind when someone so young leaves this earth.. Yet one needs to have faith that the Lord will guide them to Heaven and will guide us here on earth.. I pray for the family of Sean and know that God never gives any of us more than we can handle. Many thoughts and prayers to the family and friends that knew and loved Sean.. I will miss him very much.##imported-begin##Gemma ##imported-end##

“ I am so sorry for the loss of your loved one. I am one of Seans nursing classmates and over the last year grew fond of him. Sean was the life of our class and always said exactly what was on his mind. You were an excellent paramedic and I know you were going to be a great nurse. Sean you will be forever in our hearts. May your spirit rest in peace.....##imported-begin##Valynnica Willis##imported-end##

I enjoyed having him around, we always joked with each other and I would run up to him and give him a big hug and he would tell everyone "Get this crazy lady off of me ". I will truly miss him!!! “ Chris,

Your Dad was one in a million! He was proud to be a Veteran and an even more proud to be your Dad. He was loved and will be missed by many, but no one will miss him more than you. This is a difficult time that you must pass through but I promise you'll get to the other side. And when you do, you will remember all of the happy times and the special bond that you shared with your Dad. He loved you very much and although he has left this earth, I am certain that he will never leave you. Be strong young man.##imported-begin##Stephanie Lambert##imported-end##
