“ Dear Sebastian,

*You left us far too soon. You were Amaan's best friend in the world and Nisha's little brother. We cherished the times you spent with us, especially our pizza parties. You were a child of God, always praying over us and bringing immense positivity into our lives. We miss your smile and your jokes that filled our days with laughter. Thank you for always protecting Amaan and being his best friend. We wish we could have you over just one more time. It's hard to believe you're gone so early. You were the best person we knew, and the entire Hudda family loves you dearly.*

*From Amaan, Nisha, Shanaz Aunty, Monty Uncle, and Fareed.*

*Sebastian, te conocí pequeño y supe de ti a través del amor de Dios manifestado por tú madre cada día de tú vida, has sido un bendecido por haber recibido el amor incondicional más parecido al de Dios, el de tú madre!!!!. Sol, la virgen te consolará con certeza, el espíritu santo te concederá la fortaleza que necesitas para afrontar este acontecimiento, manten siempre la mirada al cielo, y jamás dudes de la garantía de la vida eterna. En nuestras familia oramos por ustedes. Te quiero, Ingrid Lucia .*

“ Sebastian, when you arrived with us you were a complete hurricane little by little we learned the dynamics and you became part of our great family. We enjoyed listening to your conversations who was the number one in the store and the competition they had, or when you told us that we needed you now and all the times you helped us with short notice, it was always greatly appreciated by everyone. My dear Sebastian, fly high and tell God that you were Number 1 at Sugarloaf.

*Amado Sebas.*

*Habiendo sido recibido en la vida nueva, seguramente quieres decirnos que resurgiste. Extasiado, ante el sol que la inmortalidad te presenta, suspiras por transmitirnos la nostalgia y el amor, en el caliz de la esperanza para que no desfallezcamos por tu ausencia.*

*Libre ahora de la cárcel de tu cuerpo maltrecho, quieres decir que estás vivo, y quisieras enviar pruebas de la renaciente mañana que te bendice.*

*Somos nosotros ahora los que te pedimos consuelo para que nos reconfortes, y podamos avanzar con tu bendición, de modo a merecer un lugar a tu lado, en la patria comun, en que todos nos reuniremos algun día.*

*Gracias Sebas por el tiempo entre nosotros aprendiendo con tu ejemplo.*

*Siempre estaremos unidos en pensamiento bajo la luz de la oracion.*
