Born December 30, 1929 and passed away March 31, 2020. Graduated college with a degree in accounting. Was an estimator for Foote & Davies. Her dream was to own a florist. She accomplished that dream in 1981 with the ownership of Golden Stem Florist in Sandy Springs.

Mama was the "Greatest" mother a child could ask for. Always, strong, supportive, level headed, energetic, honest, hardworking, and example setting. She loved flowers, gardening, the outdoors and most of all, her family. She lost her husband at the early age of 41 with 3 young children whose ages were 11, 13 & 16. This period is difficult with two parents, but she taught us strength, how to deal with adversity, and persevere for the good of family. No

words can describe her will, love, and compassion. She will truly be missed by all who loved her so much. We have solace that she is with her husband, Ernie and loving Daughter Patty. They have a lot to catch up on and I am sure she will be filled with pride as she discusses the family and her life's journey. May she forever rest in peace and she will forever be in our hearts. Funeral service will be Friday April 3, 2020 at Tim Stewart Funeral Home and officiating grave side service will be Pastor Tommy Foskey of Corinth Baptist Church. Due to Covid-19 State requirements, services will be private.
