“ *I am not sure which one of us decide to take the lawnmower to the grocery store during the blizzard of '93, and looking back on it, it wasn't one of our best thought out plans. But you know, that kind-of defines Shane. Not that it was a mechanically bad idea, obviously, but Shane knew we were going to have one a heck of a good laugh just trying to get to where we were going. He always lived in the present. We love and will miss you, Randy.##imported-begin##Randy Wirth##imported-end##*
