What a beautiful life!! Old friends..my heart and the hearts of my family go out to you all. It has been years..and I'm torn by not being able to be there. If there's ever anything that I can do or that we can do to ease the pain and loss..please reach out to me. I think of you all as I drive by the old house and am sorry life has gone in opposite directions..Ryan James

“ I have not known Sharlene very long. I mostly talked to her on the phone. Those conversations we always peppered with a bit of laughter. It did not take long before I felt that I had known her a long time. She was genuine, open and sincere. She had a great love for her husband although she thought he worked too hard and long. She loved and was proud of her children, grand and great grand children. Her days on earth seem way too short. Her legacy will not be. May the love and peace of God our father sustain you now.

“ Our deepest condolences to the entire family. The times we visited with Sharlene and Gene were far apart, and spanned decades, but left us with good memories. She had a easy, friendly laugh and a sweet personality.
