“ *Sharon definitely had a way with children. She watched my children over 25 years ago and I always new they were in good hands to her years in the school system where she helped and loved on 100's of student's. What I will miss most is her big beautiful smile and her wave from her backyard to our's. May God Bless Randy and Ashley and the family as they go through this journey.*

“ *I worked with Sharon at LHS. She was such a kind person and was always smiling. I missed her when she retired since I saw her often bringing her students to the clinic. I am glad she was able to spend more time with her family. Prayers for comfort to the family.*

“ I worked with Sharon at LHS. She always bragged on her husband, and her daughter and son-in-law, and grandchild (at the time when she retired). I shared many of the stories Sharon told me about her family with my wife.

I can honestly say she was one of the kindest and sweetest ladies I have ever known. I missed her when she retired, but I was so happy for her in that she could spend more time with her family.

My heart just breaks at her passing. When I found out about it today, I shed several tears for her in the hallway.

I pray the God of all comfort and peace will give you all (the family) exactly that: comfort and peace.

Sharon was a special lady.

God bless you all!

“ I'm sorry I didn't know Sharon in the short time we were at Shamrock High School, but I hope her yearbook photo brings wonderful memories.
