“ Kevin and Kristen,

I am so sorry to hear of your Mom's passing! I was shocked to say the least.

You kids have grown up well, thanks to your Mom. I am sure she is proud of both of you.

Tell each other funny stories, and don't be afraid to say her name out loud.

I share my thoughts and prayers with you and the rest of your family.

*Happy Trails Sharon.....

As always, Cora*

“ It is with a heavy heart that I send my sincerest condolences to the Smith family for your loss. As my supervisor at AT&T, I had so much respect for her and her leadership. I will truly miss her. I loved her gusto and great sense of humor. I hope that her children and grandchildren, that she loved so dearly, take comfort that she is in gods loving arms.

“ My heart is literally heavy with the news of Sharon's passing. She made the world a better place for all of us, especially her children and grandchildren of whom she spoke constantly to me when we worked together at AT&T. Sharon will always be in our thoughts, especially each time we look at the Winnie The Pooh quilt she she made for my daughter Ava when she was born. My condolences!
