“ *Shell was both a classmate and friend. From the High School trip to Canada, to the Air Show at Robins AFB, to our 30-year High School reunion, Shell was always a source of witt and humor. He overcame the awkwardness of humble beginnings to become a man of practical wisdom and maturity. He will be missed.*

“ *I was honored to have known Shell. I had the privilege to have known him as a customer where I had met him for lunch on a number of occasions as well as a co-worker at Corus360. Shell was always about helping anyway he could and always had a smile. He will be missed and my thoughts and prayers are with the family. I pray that God be with them in this time of sadness.*
