“ *Shelvia will truly be missed by all. She was one of the most special ladies that I have ever known. I enjoyed the time we worked together at Loganville Primary. She was an inspiration to me and many others. Our prayers go out to all her family. Shelvia loved her family greatly as I know they loved her.
Love and God Bless You,

“ Uncle RoyLee and Aunt Shelvia. They created so many fond childhood memories. Two kindred spirits and beautiful souls. We were and are so blessed to have them both in our lives. Aunt Shelvia was a gentle kind person who lit of the room with her smile. We always felt at home from the moment we stepped through the door. We don't know why bad things happen to good people. We do know, by example, what true Christian spirit and faith is. She has her victory now. She is no longer in pain. If there was ever anyone on this earth that deserved her angel wings, she was it! Uncle RoyLee she loved with every breath she took and you set the bar high. She was so blessed to have you. We are so blessed to have you. May God grant you peace and love for every day of your life. We love you. We admire you, always have, always will. Love, proud to be your niece, Donna
