“ Sherry was the BEST step mother any girl could ask for. She was more like a momma not a step momma. She always told me she loved me like her own. She was a great woman. I remember when I was around 9 she put a spiral perm in my hair. She would get up every morning and fix my hair before school. Her grandson Paul called me burnt noodles lol. She called me her sweet girl. She was always telling my kids how proud she was of them. Always commenting on my Marine son's pictures encouraging him. I love this woman more than words can ever describe. Heaven sure gained a perfect Angel. Prayers to all the family and my sweet daddy Frank Hamby as well. Love always, your sweet girl Crystie

“ Sherry was my dear friend for many many years. We were always there for each other on our lowest days, and believe me we hit the lowest. But we would pray for each other instead of praying for ourselves. We laughed at each other so much. She was my friend and I will always cherish o
