“ Shirlne was a few years younger than me. At one time Nolan and I were in the same class at Loganville Elementary and High schools. I moved away from Loganville but when I visited and ran into Shirlene, it was always like yesterday I had just spoken to her. I am so sorry to hear of her passing. I know the family and friends have wonderful memories of her. She is in heaven and God is taking care of her now. I will pray for the family.
