I was blessed to have known this lovely lady,while working for Progressive Ltg (Lee Ltg in Texas). We had a joke between us about employees thinking some times she & Judy just sat around eating BonBons. So occasionally I & Dave Hambley sent BonBons to her and Judy. Hope you get all you want any time. A lady of class, now enjoying eternity, but save some BonBons for me! To her family thank you for sharing her time in this life will all that had the pleasure!

Lisa and all. We are so very sorry for the loss of your mom and grandma. She has been my best friend for over 40 years. She was always there for me. While she lived in Poughkeepsie we spoke almost everyday and saw each other at least twice a week. I will always cherish the couple visits I had in Georgia with she and Bill and all and will be forever grateful for when she and Bill spent a few days with us some years ago. I miss our phone calls and miss her so much but know she is at peace, out of pain, and with Chris, Richard and Bill. I will miss and love her forever!

Shirley was a wonderful sister! She had such a great sense of humor and always made me laugh. We used to cut comics out of the newspaper and send to each other through the mail. I looked so forward to receiving the comics! Although we were miles apart as adults, our hearts were very close. I wish I could've spent more time with her in person. She is with Jesus now and at peace and without pain.

I am very grateful for my Aunt Shirley. She loved her family dearly and would brag about them to me on the phone. We would share family stories and experiences. She was smart and had a sense of humor. She experienced loss of loved ones which was extremely difficult for her. Our thoughts and prayers with all of the family through this difficult time.

*Love,
Terri Gades*

She loved working with everyone at Progressive and always talked about you all. She loved her friends in her exercise class. Loved going to the pool and Christmas parties. Jeannie, you know how much she loved you. We all do. Terri, she so enjoyed your talks and loved you so much. Aunt Bev, she would save all the comics and show me the ones you sent. You made her smile and laugh. She loved you so very much. All she talked about was trying to get out there to see you. ❤️
