“ To: Denis, Keith (Bunny), Extended Families & Friends;

>

Wishing you as much peace as possible during this extended difficult time.

The pain endured cannot be relieved, the loss can never be replaced,

the memories can never be cast away; but with some amount of compassion,

thoughtfulness, gentle words, one can surely help ease the pain.

>

This belated condolence message will help remind you, that although death separates us from one another in body; in spirit, Shirley (Rosie) will always remain alive.

Alive through the kind words she said to us; the caring deeds she did for us,

the lessons that they taught us, and the examples that they were to us.

Let us remember them in our prayers, in our fond memories, in our everyday actions, so that remembrance brings joy; no more tears.

>

The memory of a good person is a blessing!

“ Rosie was more than a friend to the Bents; we were family. The Joneses and the Bents have always had a deep seated love and respect for each other that lasted from our Rousseau Road days in Kingston to this very day. Rosie was never afraid to speak her mind and I had it told to me on a few occasions, as a younger brother, and we still remained good friends. And even though we were 800 miles apart we kept in touch sharing information about our families, the joys, the many experiences and the sadness from time to time. We are grieving her departure and will miss her but her memory will be forever a part of us. Rest In Peace our sister, our friend.

“ As Shirley 's letter carrier for several years I got to know her quite well. She would be one of the best highlights of the day for me when she was out doing her yard manicuring. She was a great friend. Such an upbeat genuine women. I will miss her dearly. I totally loved her so much. Enjoy your wings, Shirley, you earned them. To her family, I am so sorry for your loss. “ I was speaking with my good friend Antoinette Dhu (nee Summers) who told me that on Saturday morning she will be following the service for 'Rosie' Jones. To my surprise Rosie and I went to Queen's High School together. I was very saddened to hear.

Rosie was a Prefect (which is almost like a valedictorian) for just about every grade she entered. She was very bright, a great sense of humor and she never hesitated to let you know if you were out of line at school whether it's because your uniform was not the required length (below the knees) or you did not have on your beret.

God be with you my friend.

“ Aunt Rosie, you've ascended into heaven to be with God, Grand Dad, Mama and Uncle Trevor. May they all keep you close by, as I will in my heart. You will be missed. Love, Glenn

“ The few times I took Miss Shirley to her appointments at Emory, I got to know her a little bit. I'm so grateful for those opportunities to talk. I could tell she must've been a wonderful sister, auntie, and friend. To her family, I'm very sorry for your loss. Rest in peace, Miss Shirley.

“Rosie, as she was affectionately called by all of us, will be truly missed. I guess that name “Rosie” was given to her because she was such a beautiful person. It wasn’t until I became an adult that I learned that my cousin’s name was actually Shirley. I remember how dedicated Rosie was in her work at the Embassy in Kingston, Jamaica. Rosie impressed me. It was because of her work as a paralegal both in Jamaica and the USA that I too became interested. My work in that area became official since 2000; thanks to the influence of Rosie.

Denis, and Bunny (Keith), I am praying that you will find peace and healing through our Lord’s infinite love. Please accept our deepest condolences. I hope it brings your some comfort in knowing that you beloved sister’s life will be celebrated with joy and gratitude by her relatives’

Rosie will be greatly remembered by my siblings, me and our families.

“ Rosie as she was known to my family for as long as I know myself, was part of our family. We grew up calling each other parents aunt and uncle as her mother and my mother were best of friends. They are both in heaven now baking cakes as they did on earth. Rosie, Dennis and the rest of my family spent many summer holidays together in Jamaica. We were happy care free kids having lots of fun and adventure. Rosie was like a big sister to me and we remained in touch with each other although I reside in Florida. I have been in touch with her throughout her illness and our family joins in sending our sympathy to Denis, Bunny and the rest of the family. May her soul rest in peace. She will be happy to be with her mom and dad, Aunt Maisie and Uncle Harold again.

I am beyond words right now, my dear cousin Rosie is gone! Rosie was like a big sister to me, your memory will always be in my heart ❤️. My wife and I look back at our wedding day and reflect on the awesome floral arrangements you, Aunt Maysie and another friend of the family (I can't remember her name) made for us without a charge. Thank you my dear cousin. So many other memories are flooding my mind but too many to mention. I loved you in life and I love In death. So take your rest in the arms of Abraham and walk with our ancestors, Aunt Maysie, uncle Harald, Granny, uncle Johnny, and my mom (Aunt Muriel) and the others.

WALK GOOD 'TIL WE MEET AGAIN!!!

“ Shirley was the first person I met when I moved into our neighborhood over 10 years ago. She, for sure, was one of the most pleasant and delightful person to be around. We shared many dinners, laughs and bottles of wine over the years. Not only was she a great neighbor and friend to me, but a great 2nd mom and grandmother to my son, Brian and grandchildren, Madison & Brian Jr. This is truly a heartfelt loss but also a grateful heart that we were blessed to know her and have the gift of her wonderful spirit on this earth. Enjoy your wings, Shirley! We will miss you but will always remember you!
