“ *I only knew Shirley for a short time but it felt like years. She was truly an angel on earth. As she grew weaker; her faith grew stronger. She is resting in the arms of GOD.*

“ Normally, one would say . . . my hairdresser passed away. But, of Shirley, I must say a friend passed away. She was so much more than my hairdresser. She was an instant friend. She took you in; she took you under her wing. She encouraged you and praised you. She "doctored" and "diagnosed" you. She was joyful and loyal and wise. Always upbeat! And she certainly told it like it was! I will miss her haircuts, stylings, and her advice on products, methods, and her compliments! No other hairdresser could fill those shoes. But most of all, I miss the person and the friend that she was. I am thankful she was in my life for a few years. Her memorial service was a beautiful tribute, attended by so many who loved her. It was so nice to learn more about her through the sharing of friends and through meeting her sweet family. Gone, but not forgotten.

“ I have been so blessed to have worked with Shirley. Her caring heart was bigger than her stature, not only an amazing hairdresser she seemed to have a fearless spirit and made everyone feel special. She was genuine and I learned so much from her about life, through love, faith and laughter anything is possible. Spent a day with her driving in an old blue convertible can't help but to smile and laugh out loud when I think of it. Would have loved to have heard the angel story. Deepest sympathies to her family, Patricia Keefe

“ My prayers are for Denny, Cathy, Gayle and her family. Shirley and I only knew each other for a brief while but I knew that someone very special stood in front of me. She was a delight to everyone she met and a friend to anyone who needed one. After all, what better can ever be said of any of us?

She shared an angel story with me, about 3 weeks before she passed; every detail, every feeling, every emotion; it was not a dream; it happened. Now she is with our LORD and she is no longer struggling for her breath. Angels walk and talk with her as she enjoys the sweet taste of Heaven. Shirley was small in stature but she stood 10 feet tall in her love for her family. I miss her; she gave sage advice to those who would listen and she made this world a far better place.

Our loss is truly Heaven's gain; Rest In Peace Sweet Heart.

“ Shirley, you became my hairdresser in 1999, and my friend at the same time! You made me feel so "at home" in your chair! It was not a coincidence that we would spend years working together! I will cherish our last conversation only a few months ago. It was the most precious talk we ever had. Both sharing Jesus with each other! I will always remember the things we shared, and I will be home as soon as our Savior sends for me!
My love and prayers to her family!
Love you bunches Shirley!

“ Shirley always put her Mom and family first. She cared about every customer before she took care of her needs. She was a wonderful friend and confidant. There is no one like her and I was blessed to have been able to pray for her and love her for the many years she made me look the best I could be. She helped people that no one will ever know about. A true saint to many.

“ *I only knew Shirley for a short while but it felt as though she was my sister. She shared an angel story with me; some may think it a dream; I know that it was true. She was an angel on this earth and loved by so many. Shirley had this GOD-given sense of good judgement and good spirit; towards everyone whose life she touched.*

During her time, here with us; heaven was missing an angel but, now, I know that she has gone home to be with our Lord. I can see that sweet little Shirley grin right now. Rest In Peace Sweet Heart.

“ My heartfelt prayers go out to all of Shirley's family and loved ones. Shirley was such a precious friend. I first met her when she was working in Rockbridge Plaza on Rockbridge Rd. in the 70's. Wherever she moved, I moved with her as my hairdresser. She was the best! I was at her shop at 7:00 am to let her beautify me for my oldest son's wedding. Then when the youngest son married, she said, "Just come over to my house at 6:30 or 7:00 in the morning and we'll make you beautiful. What a giving, sweet lady who will be missed by so many. Enjoy those angel wings, Shirley!

“ Shirley was a good friend as well as my hairdresser for many years. We shared a lot of laughter together, as well as her concern for our aging mothers and how we could help each other. I will certainly miss our weekly visits, not only in "her beauty chair" but our wonderful telephone calls to encourage each other. What a special friend who will be missed! Sarah Burgess
