“ *To my special Mrs. Hunt. I took care of her husband in the 80s. We shared many memories and good times in their home. We have been very special friends since then to this day. We shared lots of laughs and time together. We spent time going to lunch together and talked about our friends and family and how special they were. We talk a lot on the phone, and stayed in touch and became as family. I loved her very much, and hated to lose my best friend. She will always be in my heart, and I will miss her very much. And one day we will meet in heaven, I will see her sweet smile again and we will rejoice.*

*I love you,
