“ *Solon was a very special classmate. He was so smart and amazed all of us by knowing our birthdays.*

Solon, we know you will be God's helper from now on.

May God bless all of Solon's family members.

“ *I was a classmate of Solon until the family moved from Calhoun. I've described him as a pure soul whose fascination with trains and schedules was a joy to behold. I'm sure he's now head conductor and schedule keeper of God's train. Rest easy, Solon - the trains will be on schedule.*

Martha Lanette Fox Kowalski - December 06, 2015 at 05:27 PM

“ *I am so sorry to hear of Solon's passing. He was a gentle and kind soul. I will always remember how he kept track of everyone's birthdays, as well as the train schedules. He will be greatly missed!*

“Solon touched our hearts when we joined the North GA Studebaker Club. He drove to every meeting and was always early and had on his Conductor Hat. He always enjoyed the great food at each meeting, but especially the pot luck dinners. He was a special gentleman who loved Studebakers and had quite a knowledge of certain subjects. When he accompanied us to meetings after he gave up driving, our conversations were filled with much information that was quite fascinating and very accomplished. He had deep respect for his family and those who were his friends. He loved his family!

We shall miss his special ways and presence at our meetings but the Good Lord has him in his fold. May God grant you comfort and peace in knowing that you were blessed to have such a unique brother!!!!

“ I knew Solon from the late 70s on- he always asked after my 53 Stude when we each worked at Tech- I'd often cross paths with him on campus. I loved the conductor hat. You'll be missed, buddy!

“ It was great knowing Solon and his love of Studebakers. Always interesting giving him rides to the North Georgia Studebaker meeting. His knowledge of railroads was amazing. He will be sorely missed.
