*Because I could not stop for Death –
He kindly stopped for me –
The Carriage held but just Ourselves –
And Immortality.*

*We slowly drove – He knew no haste
And I had put away
My labor and my leisure too,
For His Civility –*

*We passed the School, where Children strove
At Recess – in the Ring –
We passed the Fields of Gazing Grain –
We passed the Setting Sun –*

*Or rather – He passed Us –
The Dews drew quivering and Chill –
For only Gossamer, my Gown –
My Tippet – only Tulle –*

*We paused before a House that seemed
A Swelling of the Ground –
The Roof was scarcely visible –
The Cornice – in the Ground –*

*Since then – 'tis Centuries – and yet
Feels shorter than the Day
I first surmised the Horses' Heads
Were toward Eternity –*

“ To the GREATEST father that has ever walked the face of this earth ,my Dad, Mr. Son Pundruwillow better known as PAPA. I still can't believe you're gone. I am greatly heartbroken and lost without you. There will never be another Father like you. You were our God on earth. We thank you for all the knowledge and wisdom you have taught us, all the love and support you have given us, and so much more! We pray Lord Krishna, Lord Vishnu, Mother Kali, and Madurai Veeran (Master) keep you safe and guide you through your spiritual journey. Thank you for all life lessons and beautiful memories that you've given us all. You will always be in our hearts and minds. You showed us how to pray as well as prayed with us, now with great pride and honor we pray to you. Until we meet again, may your soul rest in peace.

your son with eternal love,

“ To Chandra and her bereaved family: Please find comfort in knowing that in this journey of life we'll pass pleasure and pain; there will be sunshine and rain; there will be loss and gain but, with fond memories we'll learn to smile again and again.

“ With deepest sympathy to the entire Pundruwillow family, inclusive of Son Son Pundruwillow's children, his siblings, brother in-laws', sister in-laws', son in-laws', daughter in-laws', grand children , his nephews and nieces and all those known to me and, who have embraced me as family ever since the inception of our acquaintance. I share and epitomize in your odyssey and this tragedy even though words and circumstances fail me to convey my innermost sentiments. I'm with you, as always, in your grief, prayer and thoughts and in your most dismal moments of silent anguish. To me, you have always been there for me in my trials when I needed solace... I feel your pain and passion because I too, in all this pandemic time was unable to talk and have casual rapport to break one's daily monotony. Please accept my condolences at this time of your bereavement. And, please remain with safe and vigilant protocol so that we may overcome this unprecedented epidemic with no further affliction.. It would be honorable in his legacy to keep the family circle well and alive as before, as a token gesture in his stalwart memories..

*with fondest memories, always
