“ To the Bagley family; it has been many many years since I've seen you. As a young girl, Carol and I would come to visit Sandra for vacation. We lived in the Methodist Children's Home. We would come over to Aunt Mary's house and have such fun with everyone. We were close to Gene's age. I loved having dinners there with everyone, playing corn cob battles, unless I got hit, that is, climbing trees, looking at old family photos, spending the night. Wonderful memories! Anyway, I remember Stanley always being so nice and funny. Of course, I thought all the Bagley's were so good looking. I've watched from afar the Bagley family, watched there families grow over the years. I will always treasure the time I had with each of you. I always felt so much love.

My heart goes out to each of you. May God be with you as you let Stanley go on ahead of us. Hold onto all the wonderful memories you have of him, for he will always be with you through those memories.

Love you guys! Thankful and grateful for my time with you guys.

“ There are lots of memories of Stanley visiting in their home and events at church. The men always cooked a great breakfast Easter Sunday morning. An important time was when my father was near the end of life 9 years ago in November. He and Myrna faithfully came to visit. My deepest sympathy to Dwayne, Scott and their families. We value the 46 years of friendship.
