“ *Thoughts and prayers for the Crumbley family. I worked with Stan and would like to share that he was such a delight at ITW Pro Brands (LPS). He always had a smile on his face and was so easy to talk to. As a fellow car enthusiast, he and I would chat about his Corvette, which is a dream car of mine. Stan will be missed by all who had the privilege of knowing him.*

*Deepest sympathy,

“ Even though I didn't spend as much time as the people who worked with him in the production area, I did enjoy the time I did just speaking with him in the mornings and during his lunch breaks and shared view points of the value working with those closely with you and the fun times.

I remember Stan as a gentle soul and very soft spoken. I have missed he and Peggy throughout the years. All of the concerts and hanging out we used to do many moons ago. Peggy, I am praying for you and your family. A long lost friend. Angela Mauldin (formerly Vincent)
