“ Stanley was just an all round great guy!!! Always had a smile AND something nice to say!! Kathy I want you to know that I hope to come tonight, but I don't drive much at night anymore, esp that far to Monroe, but I'm gonna try!!! You and he were lucky to have each other, maybe light a little candle every night for him, like I do my son Harris, It is so hard to lose those we love, but all our lives we know we must do God's will, even when it so hard to understand, at times. Tell Marlin & Pat and all the kids that loved him , that he is still in each and everyone of your hearts.
God Bless You All

“ Kathy, I am so sorry for the loss and pain you and your family are going through. Just seeing you and Stanley a few weeks ago after over 45 years and then learning he is gone was, well, quite a shock. I won't be able to make it back but know that you are in my thoughts and prayers.
