“ *Starlette was my Gramma’s best friend for many, many years. I’ll never forget listening to 90s CMT and singing Tim McGraw with her in the living room and all the nights we watched CSI. She was so beautiful and so sweet. We loved her so much and I am so glad to have known her for so long. I am so sorry and saddened that I didn’t know about her passing. We absolutely would have come to her funeral. 💔*

“ *I just found out about this today. I remember Starlette with much fondness. We were best friends in highschool. Wish we’d stayed in touch. May God comfort the family during this sad time.*
