“ I begin my memory of Starr Fernandez in 1971 when the family moved to South Carolina from the West Coast. Mike and I quickly became very good friends at Irmo High School. Soon, I was found as often at the Fernandez home as my own. They all welcomed me like a son & brother. When the family was transferred to Texas for a career assignment, Mike and I were rising seniors at Irmo. Mike was the Student Body President and he wanted to remain at Irmo for his senior year. After the Fernandez family moved to Texas, Mike ended up living with our family in Irmo for some time during that year! Mike and I both had the distinct honor of having two "Moms" during those days. Mike and I have remained close and in contact since we met in 1971. Three years ago my wife, my son, my daughter-in-law, and I spent Thanksgiving with Mike and his wife in NYC. Two years ago (before COVID), my entire family spent Thanksgiving with Mike's family in Sumter, SC.

Unfortunately, time and distance had separated me physically from Mom 2 (Starr), but we were never separated in spirit! I remember she was always reading various books and articles. I remember the after-school snacks, and after football dinners at the Pizza Hut. I vividly remember Starr at my wedding rehearsal dinner in 1987. Some of my memories need to be refreshed, but they are all fond ones in my mind! My memories of Starr Fernandez continue into 2022 and beyond.

To Dad 2, Debbie, Craig, Mike, Pat, the grandchildren, and the great grands, I am so sorry that Starr has passed. I know there is a huge void in your family. I do hope the entire Fernandez family can be sustained by all of the wonderful memories of good times that everyone shared with Starr.

Love always, Chuck Statler
