“ *I guess I never got back to sharing a memory after you passed. Life was pretty chaotic. Its taken all of two years to finally get to a good point with things. We got some really big news this week and I wish so badly you were here to tell and see that grin one more time. Over the past two years I have realized exactly how much I learned from you. Everytime we watch Star Wars or I see Yellowstone pop up on Disney Plus I think of you. I think of you everyday for miscellaneous reasons. We decided to have one last baby. He is really wonderful. We named him Jade but you already know that. We love you and miss you so much. Please keep an eye on us ☐💕*
