“ *Steven will be missed. He was a very quite young man. He sat in the very back of our classroom at MCG ,school of nursing. When I spoke with him, he was always very polite, he answered yes mame--no mame----always pleasant. Each Monday he would say he went home to be with his family, whom he missed a great deal. He said he just likes to be home, eat his Mom's cooking, and he always loved to go fishing.*

*We missed him sitting at the back of the room this year...We will always remember him sitting in the back, doing number puzzles, and listening to the music on his MP3player....I will remember him fondly*
