“ I am so sorry to hear of Steve's passing. We met in the '90's when he was working for Ecolab and I was Food and Beverage Director at the old Holiday Inn in Suwanee.

As we got to know each other we affectionately said we had a "last Sunday night of the month date " when he came to service the hotel and we'd gab for a while. It was a friendship that spanned more than tewn year .sWe last spoke about 2 1/2 years ago and I was so proud to learn that he had been recognized via promotions for his knowledge and meticulous work.

My deepest conolences in your loss of a fine man.##imported-begin##Linda Dohm##imported-end##
