“ *I have a lot of memories of my Uncle Steve but what I remember most is he always called me Rachel Bug. He always greeted me with "what's going on Rachel Bug" I remember him always getting the pool and deck set up in Snellville for us kids to going to "uncle Steve fina station and just hanging out while Brandon would run the cash help with the cash register. He was a helper. Always helping someone and he will be missed and always remembered. Love you Uncle Steve.*

“ To start with Steve and I had so many great times together. From high school ball to graduation to Daytona, Florida. Who knew we would be brother-in-law's at the time. I remember the Brave's games we went to, water skiing on Lake Lanier. That was a story to long to tell. I remember going fishing in my john boat and Steve fell overboard and popped up on the other side of the boat. There are so many good times in my head. I will always cherish the memories. Rest in peace my friend. Larry Grant

“ My uncle Steve was a wonderful man. I will always cherish the memories. I am especially grateful for him and Jan both taking care of me when my sister was in the hospital. I will never forget when a black bird got in their basement in Snellville and he was so chill trying to catch it, while my cousin, and I were being scared silly girls hiding and running for our lives. He was a good guy. I'm going to miss him.
