“*Mr. Coleman was my favorite teacher. He had a kind heart. I'll never forget on the day of my graduation so many years ago, he said "well done!" It meant so much to me because he was a man that I very much respected. May God bless his family. He was an amazing man.*

“*Coach Coleman was an Amazing teacher, coach, and friend. I was blessed to have him as my Varsity Volleyball coach at LHS and I had him as my English teacher as well. He always made learning an enjoyable experience whether it was English Literature or new plays on the court. He always greeted us with heart and smile as well. I don't think I have a single Friday night football memory without the sound of his voice over the intercom announcing. I'm honored to have known him and been a small part of his journey. Rest in peace Coach.*

“ Coach Coleman was one of the best. I’m so thankful to have had him as my JV Soccer Coach and then as my teacher for four years at LHS. He taught me wearing my heart on my sleeve was a good thing and to be authentic. I loved seeing him years later when we attended the Orchard. Coach will always have a special place in my heart. Prayers for comfort and peace to all of Coach Coleman’s family and friends.
