“ I have so many memories of Steve, it's hard to pick one. He's just always been such a blessing to this family. Even though he was the youngest, his positivity often kept the family together. With his infectious smile and jolly nature, he made everyone around him happier. I remember Uncle Steve tickling me til I cried when I was 5 years old, then crying himself because he felt bad. He was definitely a sensitive soul, quick to comfort anyone feeling down. He has a lot of good friends, many since childhood, and no one would have a bad word to say about him. He was a great father and devoted husband. To my father, he was the most supportive and loving brother in the world . All of us have suffered a great loss. I will forever miss his bright eyes and joyful laugh . Please pray for all of us that are left behind. Steve is with God now, smiling for eternity. I love you so much, Steve.

“ Such sad and shocking news to hear about Steve. My heart, my thoughts, and prayers are with all of you in this sudden, heart-wrenching loss. Although it's been years since I've seen Steve, his beautiful wife and daughter, Kelly and Maddie, I remember them all with sweet and fun memories...Steve's big personality, his awesome smile, his great sense of humor, and how he could light up every face in the room with laughter. I remember him as a loving and devoted family man and a friend to all who were blessed to know him. It's true that wherever a beautiful soul has been, beautiful memories linger forever. God Bless and keep his arms around all of you..
