“ Steve was kind , loving, stubborn, sarcastic, and so funny. He gave the best hugs. I will miss him so much and his “Hey Mel” in only his one of a kind accented voice. A voice that blended the many places he lived. He was a big brother I never had.

*My deepest condolences to Tracy and Steve’s family. His family here in Connecticut will miss him so very much.*

“ Truly heartbroken. Life isn't fair, I used to end a lot of phone calls with Steve saying "just trying to help get you to retirement boss" and life took him from us before he could retire. He was a great mentor, and a very kind understanding person. He never rejected a vacation, and always accommodated our schedules to help with our home life. Steve was also a electrical wizard, and was fun to talk to about work electronics. He gave me a chance when I'd never seen a shaker before in my life. I owe him everything. RIP my friend, my boss, my mentor.

“ *My Heart Breaks for all the family and friends who knew Steve. Great memories of His and Tracy's wedding in Florida. He was thrilled !! He and I were having a beverage at the pub one evening as he was known to do if he wasn't traveling around the planet on business. It was shortly after he and Tracy had reunited he said to me that evening "Miracles do happen Joel" Oh how I wish there was a Miracle that could have kept you here with us! I will hoist one in your honor often! You will never be forgotten! Fair winds and following seas my Friend!*

“ *Hearts are broken. I know Garth was your favorite and maybe these lyrics will give some comfort to your sweet, beautiful wife! Sooooo sorry for your loss Tracy. Know Steve loved you dearly. You are his forever love!*

*Sometimes late at night  
I lie awake and watch her sleeping  
She's lost in peaceful dreams  
So I turn out the lights and lay there in the dark  
And the thought crosses my mind  
If I never wake up in the morning  
Would she ever doubt  
The way I feel about her in my heart*

*If tomorrow never comes  
Will she know how much I loved her  
Did I try in every way to show her every day  
That she's my only one  
And if my time on earth were through  
And she must face this world without me  
Is the love I gave her in the past  
Gonna be enough to last  
If tomorrow never comes*

*'Cause I've lost loved ones in my life  
Who never knew how much I loved them  
Now I live with the regret  
That my true feelings for them never were revealed  
So I made a promise to myself  
To say each day how much she means to me  
And avoid that circumstance  
Where there's no second chance to tell her how I feel*

*'Cause if tomorrow never comes  
Will she know how much I loved her  
Did I try in every way to show her every day  
That she's my only one  
And if my time on earth were through  
And she must face this world without me  
Is the love I gave her in the past  
Gonna be enough to last  
If tomorrow never comes*

*So tell that someone that you love  
Just what you're thinking of  
If tomorrow never comes*
