“ *Steve, I will never forget the great dances we shared at our LHS get togethers at Rick Johnston's place. You were the best dance partner ever. Your smile and kind heart were contagious. Add me to your dance card for when we meet again! The world would be a better place if everyone lived their life like you! You will be missed my friend! Vicki Nunn*

“ *My deepest sympathies are with you all at this time. Losing a child is the hardest of losses and I ask God to comfort you Gwen in this most difficult time. Losing a brother for whom you share history and a lifetime of memories is also very hard. May the support of all your family surround each of you as you remember the happiness that Steve brought into your life and the inspiration he showed when combating this dreadful disease. God has him now and he is healed and whole again, worshiping with our Lord and Savior. So thankful Steve gave his heart to Jesus and you can rest with the knowledge that you will be together again in Heaven! Love you, Kathy*
