“ *To the Lockridge Family:*

So very sorry to learn of Steve's death. I taught Steve in the second grade at Knollwood; he was a favorite of mine. I will always remember Steve's beautiful blue eyes. I hope that I can make the service on Saturday.

“ This guy was the most humorous person that I have known, except from his father. We had a great trip across the country to California. We went to a nude beach in 1978, needless to say we both got an eye full. DL Morris, Debby Hutchins, and I had some exciting trips to Daytona that I will never forget. Steve was a great friend from kindergarden thru the end. We miss you!

RIP Steve.

To Steve's family, I have known your father/brother/son for over 55 years. He and I started kindergarten together, then grammar school at Knollwood Elementary, then high school at Columbia. A true friend that will be deeply missed by many.
