“ *We just learned of Steve's passing and still in shock. He had just been to our house late last year doing some electrical work. He was a good man and a good friend and we always enjoyed his visits to our home. Professional, trustworthy and kind, he will truly be missed.##imported-begin##Barb & Don Bohannon##imported-end##*

“ Steve had been doing electrical work for us over 10 years. Personal, professional and trustworthy are just a few ways to describe him. He once pointed out an issue caused by another contractor that could have very easily burned down our house and promptly corrected it. His craftsmanship is literally all over our home. And we truly enjoyed his visits the service calls turned into. Over the years we had many faith conversations and Steve was very open about the trust he had placed in Christ which gave him a peace that was evident in his demeanor. He will be missed and our prayers are with the family.###imported-begin##Jeff & Sharon McConnell###imported-end##

“ Karissa and family: We've never met, but I was very fond of Steve. I met him through Jeff McConnell, when we contracted with him to do some electrical work at the office. He also did several small jobs for my husband and I over the past several years. I enjoyed speaking with him every time I had the opportunity to see him. He spoke of his family fondly. I have nothing but warm memories of him and count you lucky for having such a gentle, kind man in your life. I will pray that God eases your grief and that you know how much he was loved.
