“ I am so sorry for your loss. The loss of a loved one is so heartbreaking. Ecclesiastes 3:11, tells us that Jehovah God created humans with the desire to live forever, Time indefinite he has put in their heart". That leads to this question, Is God cruel giving us a desire, then making it impossible to fulfill it? No indeed, for God is love. (1John 4:8) He will use the resurrection to make everlasting life possible for people who have died. Thanks for the resurrection hope we have a secure future. I hope that this letter and the scriptures within will give you and your family some comfort and secure hope. If you have any questions or the need for further comfort, please contact the local Kingdom hall of Jehovah's Witnesses in your area.##imported-begin##Fe##imported-end##

“ Brandie, Kevin, Ron, John, and Dick,

I don't know where to start. Steve and I were lifelong friends. Although we had lost touch in recent years, we had the opportunity to reconnect in the past year. We talked several times, as recently as a few weeks ago, and I got to see him a few months ago during his first stay at Emory. There are few people that you can look back on and know that they were a critical, integral and most important part of your life. Steve was one of those people. I will miss him dearly.
