“ I never really knew to express it as a kid, but i thought the world of Steve. I got to watch all the good scary movies at yalls house, play the atari, he would let us kids help him with stuff. Sometimes he would scare me and i think that just made me like him more. Life had a road for me that didnt involve you guys very much but ive always thought about you guys. I love you Ms. Donna. God bless and comfort you!
