“ *Woolley and Company is soo sad that our friend is gone. Stuart was the best!!! He was kind, fair, loyal, trustworthy, funny, caring. He was good to us all. He loved what he was doing and the people he got to work with. We always loved seeing his smiling face. As noted below, driving by, honking the horn and getting a wave from him made us all drive past his shop on many occasions, even if it was not the quickest route. We hope that his dad and family are doing ok. The last time I saw Stuart we talked about plans to see some live music again once all this Covid stuff passed.*

My name is Sandra Hager, Bill Hager's (the plumber) wife. I'm so sorry- I just found out about Stuart's passing. My prayers and condolence's to his family. May GOD bless you everyone indeed. My mama, Rachel Hewatt, was a top fan of his also. He was the only one she trusted with her vehicle and its upkeep.

“ I am so sorry to hear of Stuart's passing. For decades (and many vehicles) he has been my trusted mechanic and always went the extra mile for me--literally driving me to and from work from the shop. On our trips he would tell me about his family and upcoming plans, always with a smile. He will be much missed by me and everyone else at Stewart Bros., just down the street.

“ My deepest condolences to Stuart's family and friends, I remember going to get gas in the early 90's and Stuart's dad would fill up the car and clean the windshield, I would go inside and talk to his father while our car was being worked on by Stuart he was a wonderful person and will be missed.

“ Stuart was one of the best men I've ever known... He worked on my vehicles for the past 15 years. When I would go to lunch and drive by his shop I would blow the horn and yell "Hey Stu"... He would smile and wave back no matter what he was doing!!! I will never forget you my friend, may God bless your soul. Praying for your wife, kids and parents.

“ Our deepest condolences to each of you. Stuart was by far one of the most honest and caring people we have ever known. There is no way to count the many times he has helped our family. He was always there to repair something or give guidance of how to get it done. He was kind of our guardian angel for so many years. Whenever we had a car issue, we always thought of him first. He was a true friend. We live on Lake Drive. We pass his shop every day. It will never be the same. May Our Father in Heaven greatly bless your dear Stuart. He is truly deserving of great rewards. May God wrap each of you in His loving care. Our hearts are heavy right now. He will be greatly missed.

Sincerely,

Gary and Teri Smith

“ *Stuart lived across the street from me for many years before we met and became friends. He was one of the happiest and normal people that I had ever met. He always was in a good mood. I looked forward to his yearly Octstuber Fests on his birthday. He knew my phone number by heart, which always surprised me. I will always think of him, especially as long a I continue to live across the street from where he used to live. You rarely make good friends in life and he will be sorely missed. I wish the best for his family.*

“ Dear Family,
I'm sorry to be reading about the loss of Stuart. It's been many years since I've stopped to get my tires plugged at Howard's, in all weather Stuart would be there willing to help.

Stu Bop was the best of the best. He was in a class all by himself. You are still loved by your many friends here, as you continue your journey.
