“ Ray, I never met your mother, but if what they say is true...that the apple doesn't fall far from the tree...then she must have been a nice and special person. I regret that I won't be able to attend the celebration of her life, but I continue to pray for God's comfort and peace to envelop you, your dad, and family in these days of sadness and loss. “ Herman and Ray: My sympathy and prayers are with you in this time. Sue was always a good worker and a good friend when we were all in the baseball playing of our lives. Those days meant alot to all of us in the development of our kids and I think that Ben and Ray turned out pretty good because we were there for them and disciplined them. I appreciated Sue for sticking with her guns alot of times with Ray. Even though we lost contact over the years, my friendship remains with her. She was a good woman and the times we shared will always be a treasure to me. May God be with all of you and my prayers and thoughts.###imported-begin##Sharon Cassidy###imported-end##
