“ You were the best mom in the world. A great nurse (you showed maw maw), friend and provider full of love for your kids and everyone around. My life has been greatly enriched by you and from my childhood thru adulthood have been a wonderful experience. I'm so glad that I got to spend as much time with you as I did in the past year. You mean the world to me and we love you dearly and will miss you so much....but I know you were ready to go home beautiful angel. We'll meet again on that beautiful shore and stroll across heaven....we love you....RIP 🕊️💧💜 Beth, Dennis and Dylan

“ We are so saddened by Sue's passing. She was such a wonderful, sweet person with such a quick wit! I worked with Sue for many years at Button Gwinnett and Gwinnett Medical Center which she fondly called "The Big House". She was an amazing nurse who cared deeply for her patients as well as the staff! The doctors thought the world of her and trusted her opinion. She was very experienced and taught all of us new nurses what we needed to know to care for medical and surgical patients. She was truly one of a kind and I will never forget her... May God Give Her Sweet Daughters and Family Peace That Passes All Understanding.

With Deepest Sympathy,
Darryl and Anita Parks, Hoschton, Ga

“ Sue was an amazing co-worker at GMC. She made the unit run like a well oiled machine. She will be greatly missed. May her soul rest in peace and may God hold her family near and comfort them. Blessings.
