“ I was wondering whatever happened to Sue and Riley. Though its a bit late to adding to the guestbook and this will most likely never be read I wanted to add my condolences for both of the Huffs. They were our neighbors on Pruet Rd in Duluth for ten years. I was 7 when I met them and to this day have no two nicer people. Mr. Huff used to bring us corn and snap peas from his garden all the time as we a struggling family. And Sue? Sweetest human ever. She always had hard candy and even sweeter words to dole to me and my two siblings. Their garage is all that remains of old Pruet Rd. Everytime I am on I85 I think of them. God bless them both for the kindness they showed us and I surely hope heaven truly exists as no finer residents will they receive than Sue and Riley Huff. My thoughts are with the family always. For they live as long as they are remembered and I fondly think of them often.##imported-begin##John Compton##imported-end##

“ Donald and Norma;
I was saddened to read of the passing of Sue Huff in the Atlanta paper this weekend. Know that my thoughts have been with you during this time. The memories of her long life on earth are precious.
