“ *most of you would not know me (Jim Shlosser) but Suellen and I went to UVM in the 1960s and got engaged to be married. That part never came to be but we remained friends and stayed in touch for over 50 years. I always called her in August close to her birthday and we would talk about cars and Morgan horses and wonderful times and friends from the past. I was shocked and totally at a loss at the news of her passing. It will leave a large void in my fond memories. I will always remember Dick and Thelma, the morgan filly Flashy Cookie,they gave me for our engagement and the years at the national morgan horse show in Northhampton, Massachusetts She will always be in my memories. If any of you remember our times together, my email is corvettejimme@gmail.com*

“ Dear Bots, Misty and family: Please accept my heartfelt condolences on your loss. My family and yours have been so close for so many years. There are so many memories of your Mom and John, too many to count over the years. My Mom has been trying to reach Sullen and became concerned when she could not reach her. We don't have your contact information and Mom can't see. A friend mentioned in church this morning that she had seen an obituary in the newspaper. I haven't told my mother yet. It will be a devastating loss for her as she and Suellen have remained so close. I hope to have our pastor there when I tell her. While our hearts are broken because she is no longer with us, she is in heaven with John and my Dad and so many other family and friends who were waiting there. God bless you and grant you peace. You are in our thoughts and prayers. Suellen will be missed as deeply as she was loved.

With deepest sympathy,

Claudia (Hoke) Russell
