“ Hey Steve, I'm sorry to hear about Sue..I saw her when she returned from the hospital and said she had pneumonia, but she looked like she wasn't well. Carsel was at the office on Friday and nobody said anything about it..I just read it online because we don't get AJC paper delivery up here.. Mom's not doing well either (loosing it a bit) and falling.Tried to call you but phone wasn't working..Call me if needed, I'll be there.Take care,Pat###imported-begin###Pat Vaughan###imported-end##

“ Sue was a dear friend and a very talented lady. She was a tribute to her family, her job, and her catering business. She was always willing to help and now is at peace with her maker. May you all be blessed with the thought that she was such a fine person.###imported-begin###Alta Shoemaker###imported-end##
