“ I just found out that she had passed away (8-21-21). I am both - Shocked & Saddened. She was a Beautiful person, inside and out. I met her around 2001, when she worked at the COMFORT INN. She introduced me to her son, Micah, who was her pride & joy. Every time I saw her, she was Always Smiling and I can't remember her any other way a Beautiful Smile and an infectious Laugh. The last time we talked, she was telling me that she was getting married. He was a Lucky man and I also feel lucky to have gotten the chance to have meet her and to have had her in my life as a good friend. She was the type of person that could make your life brighter, just by being in it - She certainly did mine.

My Condolences to your family.

Rest In Peace my friend, Sundardaye "Marla" Seelal
