“ Always friendly and smiling. I also graduated with Sunita at CGHS in 65. Our families were members of Central Baptist Church for several years. Got to know Jimmy well as we both played on the church softball team. Prayers being lifted up for the family.

“ Richard was a proud Black Knight from Lawrenceville as well. So they both always held that in common. We were in Alaska one year and looked up to see her and Jimmy and another couple we know meeting us on the Docks. They had gotten off the south bound cruise as we were preparing to go north. We worships together at Hebron, then the Lord put us together again at MBC. We would meet pretty regularly at Commerce cafe Jimmy getting their pork chop to go as we went in to get ours. Great friends and great memories. Thankful we will meet yet again one day to carry on our friendship in heaven. Praying for you all.
