“ *My sister, I can never tell you how your passing has left me so very, very sad. Your smile was infectious, your laughter was shared by many and your friendship was devoted. Your love for teaching began as a child and was mastered through hardwork, passion and love for your fellow man (child).  
I'll love you for always... I'll miss you till we meet again. ❤️*

“ *Hi Family, My name is Kim Thomas and have worked with Ms. Sue for the last 6 years. She was the kind of person that when she was absent you asked "where is Ms. Sue today." because she was always up in the front getting her children off the bus and always made you smile or laugh. She will be missed. I pray that the God of all comfort, comfort your hearts and minds through Christ Jesus our Lord and grant you peace. Blessings. From my heart to yours.*

“ Sue's family,  
*I joined the Winn Holt staff the same year as Sue. She was a teacher who showed her love for her students every single day. I loved to stop by her room just to see the happy interaction between the students and Sue. And, no one who knew her will forget the peels of laughter as she chatted with fellow teachers and administrators before and after school. Sue was a kind, caring, and thoughtful person. She will be missed.*

“ Dear Family of Sue Hamilton,  
*I am very sorry for your loss at this time. I worked with Sue at Beaver Ridge Elementary and also at Winn Holt Elementary. Sue was an extraordinary teacher and an amazing person. Her warm and wonderful personality brightened the daily lives of both students and teachers. I pray that you will find strength and comfort in your memories of a marvelous person.*
