“ *Sue was an awesome friend and co-worker. We went to High School together but did not meet her till we started working together at Levitz Furniture. We worked EDP for 3 years. I lost touch with her over 25 years ago and just found out of her passing. She will be greatly missed. Steve if you read this I'm so sorry buddy. Prayers for the Mitchell and Collins Family.*

“ *I met Steve & Sukie at the Levitz Furniture store in Cutler Ridge after the store opened in 1978. Rick Jorgenson and I were members of the original opening crew from Orlando & Fort Lauderdale. Steve and Sue were wonderful to work with, especially Sue, before they were married and the girls came along. Both sets of parents were terrific. Mr. Collins, through Steve, invited us to the Lake Surprise home in Key Largo to go fishing and diving. My fondest memories are of those days. May The Lord Bless and comfort you all.*

“ Susan was a truly loving and generous person. We were planning a trip to the Atlanta area about 15 years ago. We hadn't really talked to Sue or Steve since they had moved up to Georgia, other than the annual Christmas card so I gave Sue a call to let her know we would be in the area and would love to get together for lunch or dinner one day. I also asked about attractions we could visit with the kids and places to stay that would be centralized. Sue said "Forget about that, you will stay with us". Even though Sue had to work all week, she would not take No for an answer. That was just Sue. No worries about entertaining us or us intruding on their daily lives, she & Steve treated us like family the week we were there. it was one of our best family vacations.

I wish I could be there for the services but though I can't be there in person, my thoughts and prayers are with you all.

Please know that anytime you head back South you will always have a place to stay!

May God Bless you and walk beside you during this difficult time.

“ *Susan was a co-worker of mine but quickly became a friend and confidant. Always quick to assist, she also was eager to lend an ear and to open her heart. I will always treasure our too-short time together. Her family was never far from her thoughts and she loved them deeply. Even toward the end she never lost faith and had amazing strength. Our loss is Heaven's gain.*

“ I worked with Susan for many years in the Gwinnett and Tucker offices for BellSouth and AT&T. She really was so sweet and caring to everyone. She absolutely loved her family and talked about them all the time! I know so much about her daughters and have only met them once. I truly enjoyed working with Susan. My prayers are with Steve and their daughters and the rest of her family for the peace that passes all understanding that only God can give.

“ I worked with Susan in the BellSouth/AT&T Tucker office. She was always cheerful and willing to assist with anything. Her family was always at the forefront of our conversations. I have two daughters as well and we shared commonality in that our daughters were marrying and then having babies at about the same time or we would share boyfriend stories about the younger girls. She was so looking forward to retirement and being able to get on the road with her husband. I hope that you were able to enjoy each other during that time. I am so heartbroken that this has happened. She had a great spirit. My sympathy to your family.
Sincerely,
