“ *Our thoughts and prayers are with all of you. We have watched Susan's brave struggle for some time now. We attend Rosebud Baptist Church also. We pray that you can feel the arms of the Lord around you and know that he is feeling your pain but will be with you always. Susan has a new body now and will never be in pain again. God bless you.##imported-begin##Don & Willene Wheeler##imported-end##*

“ I do not know the family personally and I was actually on here looking for visitation for someone else. My deepest sympathies go out to the family. I lost my mother to breast cancer 10 years ago and I understand the strain you have all gone through. Your mother and wife is in a better place and is healthy. Hold her memories dear to your heart and remember time will heal your pain.##imported-begin##Angie McGee##imported-end##
