“ So sorry to hear of the families loss. Leslie, you and your family were there for me when Ryan died and I'll never forget the support. Susan's upbeat personality lifted everyone's spirits. I remember sitting and yucking it up over anything and everything. I'll never forget those impressionable times. My thoughts are with the family and hope for peace through these tough times.##imported-begin##Ben Lietz##imported-end##

“ Susan came into my life at a difficult time and we eventually ended up being roommates and she was the sister I never had. She was never concerned about herself and we shared everything and never once had any disagreements about anything. I will always love her even though we have lost touch over years. I will never forget you. Love Gloria###imported-begin##Gloria Richards Myers###imported-end##
