“ *Karen, I'm so sorry to hear about your dear mother's passing. I feel so lucky that I got to meet her. My mother, also, died on February 2nd. You'll never look at Groundhog Day the same.*

I wanted to mail you a card, but do not have your address (and TNT office won't give it to me). they said they would forward a card if I wanted.

*Hang in there, know that we are all praying for strength for you and all of your siblings to get through this. With much love,

“ Mikey and family,
Your mother was a wonderful person and I truly enjoyed knowing her for so many years. You have a strong family and if remembering back to meeting you for the first time in 2 year old preschool is any indication, I know your sisters will be there for you in every step of your life. Know that all of you are in my thoughts and prayers. I wish I had known earlier, I would have visited your family last evening at the funeral home. Your parents were wonderful, hang on to that always.###imported-begin###Nancy Moon###imported-end##
