“ To the Keegan and Albini families,
Please accept my prayers and sympathy. I was so sad to hear about Suzie. It's been many years since we saw each other, but I have thought about her often through the years. Wonderful memories of Suzie, my very best grade school friend, come rushing back. She was special. May the ache in your hearts and the empty space in your lives soon heal and fill again with peace and joy for having had Suzie with you.

“ Dear Joe and Children,

As a life time friend of Mary Ellen, I have happy memoies of Suzie from her earliest days. She was always full of fun and joy and so she will ever be.

I am very sorry for your loss of a kind, caring and loving Mother, wife and friend. There are no words to fill the void left by her leaving-- only love which never dies. May memories of good times fill your thoughts and your stories, keeping her ever near. As you remember her, ponder these words that she is most likely saying to you from her heavenly home--- "In the gracefull stillness of a warm October day, I was greeted in God's love. I have met God face to face and am enjoying a haopy homecoming with Mom and Dad. As you would know, I am on my way to bring resurrection to each of you and to all who need God's love and joy. I am with you always until the day when I willl welcome you home once again --forever. Be peaceful. Alll is well. I love you more than you could ever know!"

A Mom is a Mom forever. You are blessed beyond your knowing. I am holding you in my prayers with love,

sadness. May time soften the pain until all that remains is the
beauty of the memories and the love you had with your wife,
